The Democratic Women's Club of Sarasota County invites you to join us in honoring Christine Jennings as our Woman of the Year. Local leaders in politics, the arts, and business will come together to celebrate Christine's contributions to our community as immediate past chair of the Sarasota County Democratic Party and former candidate for the U.S. Congress; former CEO of the Westcoast Black Theatre Troupe; and Founder and President of Sarasota Bank. In 2018 she was inducted into the Community Video Archives Hall of Fame. Your attendance at this high-profile event will demonstrate your appreciation for Christine's life and work, your support for the Democratic Women's Club of Sarasota County, and your belief in the future of the Sarasota County Democratic Party as represented by the Manasota Young Democrats.
